OCT 28 1953

Special Assistant to the Chief of Logistics

Chief, Administrative Staff, Logistics Office

Administrative Staff Objectives Review, First Quarter of Fiscal Year 1954

1. The following information is furnished regarding the Administrative Staff's programmed objectives for Fiscal Year 1954:

a. Establish a performance type budget for operational use reflecting the detailed programmed objectives of the Logistics Office. (completed)

b. Establish a budget control to insure expenditure of funds in accordance with planned programmed objectives. (25% complete)

c. Establish clear staff and functional responsibilities on budget matters between the major operating components of the Agency, Logistics Office, and the Comptroller's Office to insure effective coordination in budget planning and administration. (20% complete)

d. Develop procedures to implement the policies of the Career Service Board. *25% complete*

(i) Establish and maintain a current roster of logistics personnel throughout the Agency.

(ii) Develop a planned personnel rotation program designed to supply trained logistics personnel when and where needed.

(iii) Develop qualification standards for recruitment and promotion of logistics personnel.

(iv) Develop position standards and grade levels for logistics positions as the basis for recruitment, training, and placement of logistics personnel. *(25% complete)*

e. Analyze training requirements for Agency logistics personnel and conduct or arrange for such training as necessary to make most effective use of available manpower.

(i) Provide personal indoctrination and on-the-job training for Agency logistics junior officers and other higher level personnel scheduled for overseas assignment.

(ii) Develop and conduct a technical logistics training course for Agency logistics personnel.

(iii) Schedule all office professional and technical personnel through the Agency Administrative Support Course.

(iv) Utilize Agency, Defense Department, and non-governmental training facilities to the extent practicable in the development of technical skills.

(v) Develop a program for the planned training and career development of selected individuals who will occupy key positions. (Timing nature and shall be listed on subsequent reports.)
